

HRN-DS06S4

MyAdmin Details

Description: 6-pin straight harness for North American heavy-duty Deutsch connector installations. Replaces HRN-D6HD.

Further Information

Replaces: HRN-D6HD

Length: 100 cm / 39 inches

Purpose: Straight harness used to move the GO device out of the driver's way. This harness has a standard 6-pin Deutsch connector and does NOT leave the Deutsch connector exposed.

Max length of connected cables: 2 meters / 6.5 feet
